UNIVERSITY SQUAD
SUSPENSIVEWelcomes Proposal of Walter
Camp to Try Out Pro-
posed Rules.

READY TO DON SUITS

Believed That Lambeth Field
Can Be Put Into Shape
Soon.

[Special to The Times-Dispatch.]
Charlottesville, Va., January 6.—
Walter Camp's request that he be al-
lowed the aid of Virginia's first and
second teams to try out some pro-
posed changes in the gridiron game
next fall, has created the greatest in-
terest at the university, and while else-
where the snow is falling, here the
weather of Sunday and Monday last,
when the mercury in the thermometer
registered 70 degrees.

The members of the football squad
are enthusiastic over the suggestion
made by Mr. Camp, and are ready to
don their suits at any moment. The
players, of course, broke training the
night after the Georgetown game, on
November 13, following the untimely
death of Archer Christian, the star
half back, who, by the way, was se-
lected by Coach Arthur Briles, of the
University of North Carolina team, the
former Yale star, for one of the back-
field positions on the All-South At-
lantic team. It would be several days
before the men would be able to en-
gage in a scrimmage work. But in
view of the honor of putting into
execution first the proposed rule
changes that may be incorporated in
the rule book of 1910, it is thought
the men will willingly give all of
their spare time possible in order to
have the honor of saying they were
the first to play the new rules.

In his letter to Dr. William A. Lam-
beth, Mr. Camp gives his views as
the changes that would bring about
the elimination of the dangerous el-
ement in the game. He suggests that
both the offensive and defensive teams
be restricted to a total distance of
ten yards from the ball on the line of
scrimmage.

In other words, the entire twenty-
five yard line shall be inside a space of
ten yards, five yards on each side of
the ball. Mr. Camp's idea is that, in
bunching the men in this distance, it
will in a measure eliminate the mass
plays as both teams will be amply
fortified on mass plays by having all
of their men at the particular point to
be assailed, and thus put at a
minimum the chances of gaining the
distance on mass plays.

Mr. Camp also suggests the elimi-
nation of the forward pass except be-
hind the line of scrimmage, as long
as the ball does not cross the line of
scrimmage. This would put the ball
in play much on the same order as
the outside kick has been played in the
past. He also suggests that when the
forward pass is fumbled any man on
either side be allowed to recover the
ball.

Mr. Camp's suggestion that the
quarterback be allowed to run with the
ball from any position is a good one.
He does not make it obligatory for the
quarter to run five yards back, but
he can be in a bind to throw the
ball if he is in a bind to throw the
ball.

He suggests that the distance to be
gained should be raised to fifteen
yards until the ball reaches the
twenty-five yard mark; then the en-
tire distance of yards in three
downs shall be in force for the first
three downs and then five.

His last suggestion is that in the
event that a team fails to gain that

OBERT PROVES STAR
AT MONCIEF PARKBoy Puts Four Winners Under
Wire and Upsets the
Tipsters.

Jacksonville, Fla., January 6.—Obert
was the star boy at Moncief to-day,
riding no less than four winners. His
first victory came in the second race,
when on Hazel, at 5 to 2, he beat Sam-
piper, on whom a strong tip had been
sent out. His victory on Robin Grey,
however, was the surprise of the day,
as this horse won at 11 to 1. Toll Box
and Earl's Court fought it out for the
place. There was a strong play on Bat
Masteron in the fourth, this horse
being looked upon as a good thing.
Again did Obert upset the calculations
as he put Sin Fran, at 4 to 1, across a
winner. Summary:

First race—quarter of a mile, purse—
\$100. Lady Stewart, 115 (Gibbert), 2 to 1;
first; Nell, 115 (Gibbert), 5 to 2, second;
Frat, 115 (Davis), 10 to 1 third. Time,
23 5-8.

Second race—six furlongs, selling—
Hazel, 109 (Obert), 5 to 2; first; Dave
Nicholson, 94 (Ural), 13 to 5, second;
Sandpiper, 106 (Grand), 9 to 5, third.
Time, 1:14 3-8.

Third race—five and a half furlongs,
selling—Robin Grey, 102 (Obert), 11 to 1;
first; Toll Box, 108 (Page), 6 to 1;
second; Earl's Court, 107 (Howard), 7
to 2, third. Time, 1:07 3-8.

Fourth race—six furlongs, handicap—
Sin Fran, 99 (Obert), 4 to 1, first;
King's Guinea, 118 (C. Rowe), 20 to 1;
third. Time, 1:34 5-8.

second; Jack Nunnally, 105 (Peak), 5
to 1, third. Time, 1:13 3-8.
Fifth race—mile, selling—Castle-
wood, 112 (Powers), 13 to 5, first; Hugh
Kange, 111 (Page), even, second; Jack
Baker, 109 (Hayes), 6 to 1, third.
Time, 1:41 3-8.

Sixth race—mile and an eighth, sell-
ing—Otto, 104 (Obert), 3 to 2, first;
Oberon, 111 (Powers), 5 to 2, second;
El Fall, 105 (Ganz), 4 to 1, third.
Time, 1:55.

Three Favorites Win.
Tampa, Fla., January 6.—Three fa-
vorites and two heavily played second
choices rewarded the talent here to-
day. The upset of the day was in the
two-year-old race, when Barney
Schreiber's Louise B. installed favor-
ite at odds-on, was beaten by Nichols's
good colt, Lady Lewis. Summary:

First race—about three furlongs,
straightway—Lady Lewis, 106 (Glan-
ner), 5 to 2, first; Louise B., 105 (Dav-
enport), 4 to 5, second; Pettie, 105
(Brannon), 6 to 1, third. Time, 35 3-8.

Second race—six furlongs—E. T.
Shipp, 110 (Jackson), 4 to 5, first;
Warner Griswell, 109 (D. Boland), 20
to 1, second; Autumn Girl, 90 (A. Bur-
ton), 2 to 1, third. Time, 1:19.

Third race—five and a half furlongs—
Robert Powell, 91 (A. Burton), 3 to 5,
first; Alvise, 107 (Davenport), 8
to 1, second; Sallie Savage, 91 (C.
Brown), 12 to 1, third. Time, 1:13.

Fourth race—five furlongs—Darr, 95
(P. Martin), 13 to 5, first; McAndrews,
109 (Burton), 7 to 1, second; Grace
Kimball, 107 (Davenport), 7 to 2, third.
Time, 1:06 3-8.

Fifth race—five furlongs—Bonnie
Bee, 91 (A. Burton), 9 to 2, first; Fun-
damental, 105 (Jackson), 6 to 5, second;
Lucullus, 109 (Glaner), 6 to 1, third.
Time, 1:08.

Sixth race—seven furlongs—Stron-
land, 114 (Jackson), 13 to 5, first; Mor-
peth, 96 (Burton), 13 to 1, second;
King's Guinea, 118 (C. Rowe), 20 to 1,
third. Time, 1:34 5-8.

Seventh race—seven furlongs—Stron-
land, 114 (Jackson), 13 to 5, first; Mor-
peth, 96 (Burton), 13 to 1, second;
King's Guinea, 118 (C. Rowe), 20 to 1,
third. Time, 1:34 5-8.

A CARD

To the Public and Every Customer, large or small,
that has placed a brick to the building of my success to-
date: As I am now entering into the New Year, 1910,
I wish to thank every patron that has patronized me,
and most especially during the old year, 1909. I must
confess that I am very happy and proud to say that 1909
has been the most successful one of my existence here
as a wood and coal merchant. I have always been ap-
preciative and very thankful, but at close of 1909 I am
more encouraged, and wish it possible for me to thank
every contributor personally. I am starting out this
year with the best present and a most flattering outlook
for the future, which is due to the kind words of
friends and patronage of thousands of housekeepers.
With a corps of five experienced, courteous men, we
guarantee the best service, quality, measure and weight
in the future, as we have in the past. Again thanking
one and all, and wishing you a most prosperous and
Happy New Year, I beg to remain,

Fraternally yours,

E. T. LONG - - The Woodman

News of Manchester

Manchester Bureau, Times-Dispatch,
1105 Hull Street.

Calvin Whitley, Jr., of Richmond, chief
engineer for the Virginia Railway and
Power Company, accompanied by Willis
Pulliam, representing the company, ap-
peared before the Street Committee in the
city chamber last night with an order
granting to the company permission to con-
struct, maintain and operate a spur or side
track across Porter Street from the tracks
of the company on Seventh Street into its
property at the northwest corner of Sev-
enth and Porter Streets.

All of the work, the material used and
manner of construction shall be under the
supervision of the City Engineer and sub-
ject to the approval of the street com-
mittee, the company to replace and repair
the street in the event of the street being
laid by the spur, and shall keep the
same in proper repair, both between
the street and the spur, and the company
shall make the spur conform to the grade
established.

The company is to indemnify, reimburse
and save harmless Manchester from any
charge, damages or cost which the city
might be required to pay by reason of any
person being injured or damaged in any
way by the construction or maintenance of
the track. The last clause states that upon
the revocation of the permit the company
shall become the duty of the company im-
mediately to have the spur removed, and
the portions of the street affected restored to
the original condition and grade.

Much discussion was indulged in before
the ordinance was adopted. The question of
the advisability of changing the course of
the sewer was the main contention.
Several were of the opinion that the chang-
ing of the course of the water at Carrol-
ton place factory might in the future
cost the city thousands of dollars in law-
suits. However, City Engineer Laprade
and C. Jones thought that the change
would result in no damage.
